“Internship” Assessment Certificate

October 1, 2024

To Whom It May Concern,

I, the undersigned Jana Karra, Software Engineer and Team Leader at Interphase, certify that Mr. Mounir Haffar has been interning with our organization since June 1, 2024, for a period of 4 months.

During his internship, Mr. Haffar demonstrated a keen understanding of the Software Development Life Cycle (SDLC) and its various models. In addition, Mr. Haffar developed skills in HTML and CSS, learning how to replicate designs and layouts to create visually appealing websites that meet client requirements.

Moreover, Mr. Haffar has acquired knowledge of the fundamentals of Angular and its core principles. Additionally, he has worked on building a calendar view for our system, creating an interactive and user-friendly feature that allows users to add and view activities seamlessly.

Mr. Haffar has proven himself to be a skilled and knowledgeable web developer. His proactive approach to learning has enabled him to acquire advanced skills. His potential in the realm of web development is evident, and we anticipate his continued growth and success in his future pursuits within this dynamic field.

This certification is provided at the request of Mr. Haffar.

Sincerely,

Jana Karra

Software Engineer and Team Leader, Interphase
